

## How to unlock an accidentally locked Mobella door lock Part# MC-99-1-9523-P

**STEP 1: Use a Philip screw driver and remove top and bottom self tapping screws.**

**STEP 2: Remove door knob**

**STEP 3: Pull the pin out and reinsert so that only a ¼" of the pin Gets reinserted and turn using the plyers in any Direction and open the door. When completed reinstall all items back together.**

**Step 4: BE SURE TO SLIDE THE LOCK DOWN BEFORE YOU CLOSE THE DOOR.**
